

A Patient Perspective Multiple Pulmonary Embolism

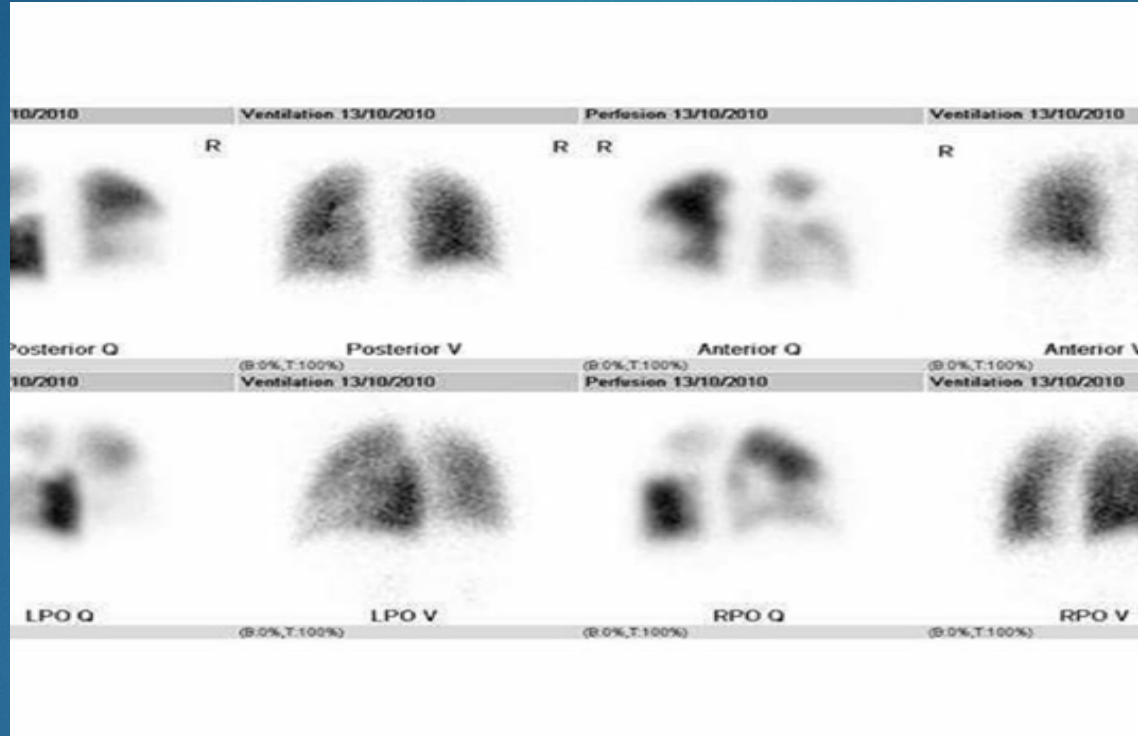

CHRISSY

My 23rd Birthday!

11 days before Diagnosis and after 5 months of being unwell

“Dead Day aka Clotiversary”

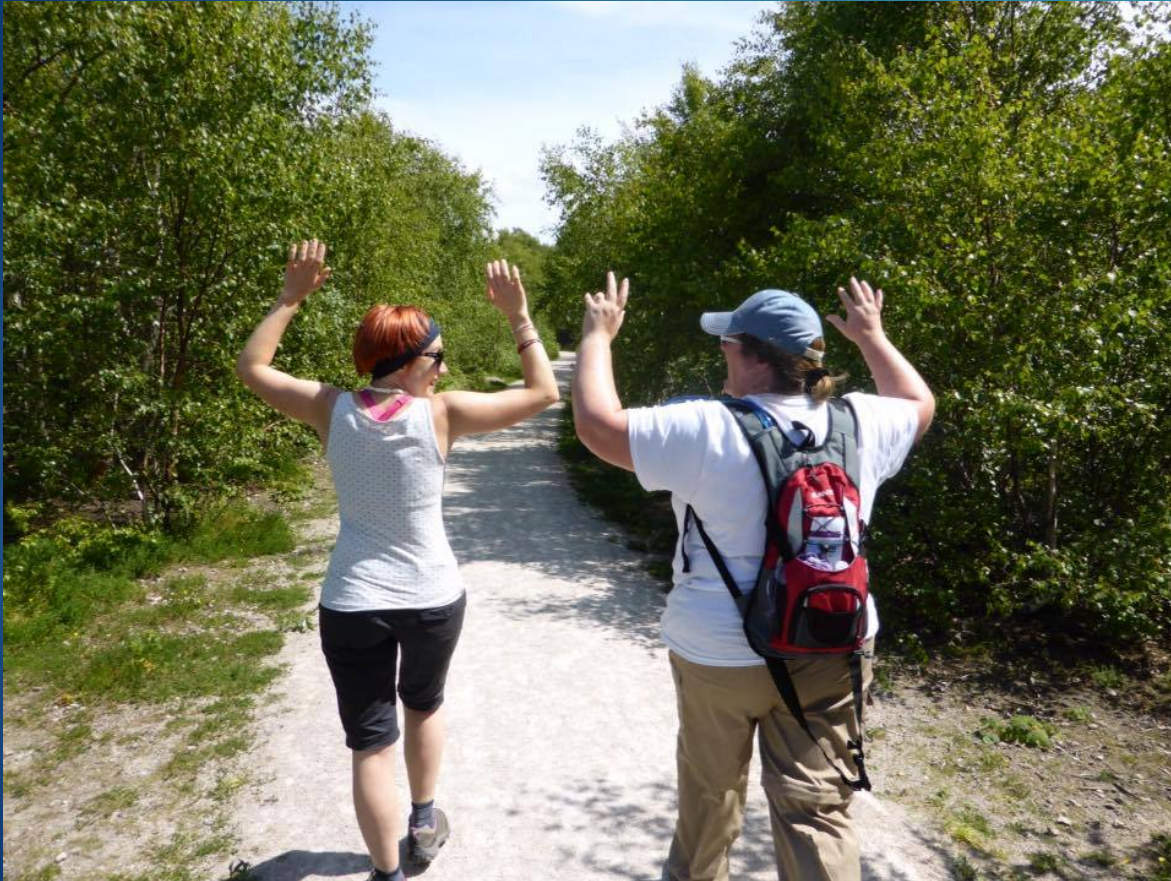

Mental Health

Information and Blood thinners

Recovery

Family and Friends and Fundraising

Future hopes

- Awareness
- Support
- Information
- Forum
- Patient days
- Fundraising

Thank you

The biggest obstacle
has been accepting my
new normal
at an age when you
think you can
do anything.

BEETA
